PROJECTS

MARK ENTRY PORTAL

- Mark Entry Portal is the web application where it is designed for both faculties and students. Faculties can login with their credentials and can choose departments, and in that there is the option where they can choose which subject they are handling, and in that they can enter the marks for particular students, and the percentage for every unit is automatically calculated, and the students are displayed with their mark reports.

Team size: 1

TODO-LIST

- Todo-List is a full-stack application where we can enter our daily tasks, and that will be stored in a database. It is viewed in the frontend by rendering it through an API call from the backend, and we can delete our task after it is completed.

Team size: 1

NON-TECHNICAL SKILLS

- Leadership
- Communication
- Time Management
- Problem Solving Skills

TECHNICAL EVENTS ATTENDED

- ICAME OCT|2022 International conference on Advanced Material for Environment
Topic:
Speed Limit Authenticator using YOLO
- Bithacks 2023 BIT Hackathon
Topic:Mute Wave Application

EXTRA CURRICULAR ACTIVITIES

- Member in college athletic team.
- Secretary in Code Circle club.

HOBBIES

- Listening music
- Practicing technical problems in GFG and leetcode
- Playing Badminton

LANGUAGES KNOWN

- Tamil -R/W/S
- English -R/W/S

AREAS OF INTEREST

- FullStack development
- Object Oriented Programming
- Problem solving

CERTIFICATIONS

- Python for Data Science – Cognitive AI
- Introduction to HTML-Simplilearn
- Cascading Style Sheet(CSS)-Infosys springboard
- CISCO(CCNA) Volume 1-Cisco Academy.
- Java for Beginners-Scaler Academy
- DataStructures and Algorithms in Java.

ACHIEVEMENTS

- Best Paper Award -ICAME(2022)
- Special Mention Award in BITHACKS(2023)
- Best Camper Award in Summer Camp(2022)
- Overall Runners in Anna University Zonal level athletics meet(2023)
- Participated in Statelevel Junior Athletics meet(2022)

INTERNSHIP

- Completed 15 Days internship on software Engineering in online at FORAGE
- Completed 30 days internship on Fullstack Web Development in online at Pantech e learning Academy (TNSDC).

PATENT

- **SPEED LIMIT AUTHENTICATOR USING YOLO**

APPLICATION NO.202344012270
PUBLICATION DATE : 17/03/2023

- **MUTE WAVE APPLICATION**

APPLICATION NO:202341072837
PUBLICATION DATE : 22/08/2023
